Dear Respondents,

Greetings!

On behalf of our research team, composed of Atilano, Michael A. Jr. and Ecle, Gian Alexis E., fourth-year students of Bachelor of Science in Information Technology at Iloilo Science and Technology University (ISAT U) – Miagao Campus, we respectfully invite you to serve as an evaluator for our research study entitled “Documents Management System of ISAT U HR” This study is being conducted as part of the requirements for the completion of our academic degree.

The main purpose of this study is to develop a Documents Management System for the Human Resource (HR) office of ISAT U Miagao that provides an organized and efficient platform for the submission, management, processing, and monitoring of HR-related documents. Your evaluation will help us assess the system’s functionality, usability, effectiveness, reliability, security, and overall quality.

We kindly ask you to read each item in the survey questionnaire and provide your honest evaluation of the system. The questionnaire is based on the software product quality model specified in ISO/IEC 25010:2023. There are no right or wrong answers, and your responses should be based on your actual experience, observations, and professional judgment.

Please be assured that all information collected from this evaluation will be kept confidential. The data will be used only for academic and research purposes and will be handled in accordance with ethical research practices and the Data Privacy Act of 2012 (Republic Act No. 10173).

We sincerely appreciate your time, effort, and willingness to evaluate our system. Your feedback and suggestions will help us improve and further develop the proposed system.

Thank you very much for your valuable time and assistance.

Very truly yours,

**JOHN CARLO P. GABADAL**
